Maintenance Planning Ahead for Spring Storms

April brings many things – cherry blossoms, income tax day and spring storms. Advance planning makes sense. Here are some severe weather tips:

Assemble an emergency kit. Include:

- Flashlights and a NOAA weather radio, with extra batteries
- List of phone numbers, insurance and medical information
- Extra chargers for cell phones
- Cash
- First aid kit
- Food and water for three days for each family member and pet
- Medications, baby supplies
- Blankets, jackets, hats, shoes, sleeping bags
- Vehicle emergency kit
- Plastic sheeting and duct tape
- Trash bags, baby wipes, hand sanitizer

Review emergency plans with your family. Where in your home would you shelter in place in severe weather? How will you handle a power outage? (Keep fridge and freezer doors closed, turn off or unplug appliances to prevent damage if power surges back on).
