Hunt Update Happy Birthday!

The Continental Congress approved the final wording of the Declaration of Independence on July 4, 1776, after working for a couple of days on the draft submitted on July 2nd and finally agreeing on all of the edits and changes.

July 4, 1776, became the date included on the Declaration of Independence and the beautiful handwritten copy that was signed in August, 1776 - now displayed at the National Archives in Washington D.C.

Hunt is proud of our military affiliation – 70,000 homes built for military members and 200,000 military residents.

Maintenance Fireworks Safety

What is the safest firework? IT'S THE ONE YOU DIDN'T LIGHT!
Please remember that fireworks are not allowed in the community and the safest way to enjoy them is at a public display.

Even sparklers are dangerous – they reach 1500 degrees and aren't suitable for children.

Consider providing glow sticks to children to enjoy while watching public fireworks displays – with trained professionals and emergency response personnel on hand.

Please have a safe and happy Fourth of July. We really want to see you safe and happy on the Fifth of July, as well.
